BATTERIES contain toxic metals such as lithium, cadmium, nickel, lead and mercury. When dumped in landfills they can burst, poisoning soil and ground water, damaging or killing surrounding plant and animal life and can even end up in the drinking water supply. Please help care for God's creation by bringing your dead batteries to church and drop them in the bins that will be at all entrances for the next two weekends. THE GREEN TEAM will safely dispose of them. Just a simple but significant way that we at Regina Mundi connect our faith to caring for God's creation.

CHILDREN'S LITURGY CORNER

"JESUS IS BOTH SHEPHERD AND KING"

The first and most important commandment is love of God with all your heart and with all your soul. The second one is that you must love your neighbour just as you love yourself. "For when you do those things for any of my brothers and sisters in need, you do it for me. I myself will shepherd my flock."

Parenting Tip of the Month: Prayer and the education of children in the faith are seen as specific responsibilities of Christian parents, as well as grandparents. Our world is fast paced and we sometimes forget that our children need a place that will act as a cocoon, making them

feel safe, loved and protected. We need to create purposeful moments when we gather as a family and share our values through conversations and family activities and where we share our faith through pray and perhaps reading and discussing a passage from the Bible. Families build the foundation on which our children stand in the world – educating our children in their faith is a proven way to make that foundation solid enough to withstand anything.

(From: Teresa Hartnett, Family Ministry Office, 905-528-7988 ext. 2250)

Marriage Tip of the Month: At the Synod in Rome, which wrapped up its deliberations on October 19, 2014, Pope Francis and more than 200 delegates discussed in detail the challenges faced by families in the world today. In their discussions they reminded us that we are not alone, that God is with us as we journey. Taking that message seriously can have a positive impact on your married relationship – attending Mass as a couple, praying together and even joining in parish events have proven benefits in producing happier marriages. God is with us – invite him in and see how his presence will have a constructive impact on your married life!

(From: Teresa Hartnett, Family Ministry Office, 905-528-7988 ext. 2250)
