Pornography Addiction among Children and Teens...

It's Time to Talk: Pornography is impacting children and teens at rates never before seen. By the age of 18, 90% of young people have viewed pornography on the internet, far too many are watching these violent and degrading images regularly; many are becoming addicted. Come and learn more about the issue, its impact on our children and how you can protect your children, grandchildren, students and all children. The information will come to light through discussion and viewing of the documentary Over 18 (view the trailer at www.over18doc.com/). Over 18 will be shown free of charge at Immaculate Heart of Mary Church on Friday, October 13th at 7 p.m. The mature content (be assured there are no graphic visuals) means that only those age 18 or over should attend.
