It is a global effort to bring spiritual and material help to our brothers and sisters who long for hope and love that comes from knowing Christ's love for them. Your kind support will assist all missionaries across the world. It will help new churches grow, be strong and vital faith communities. **Parenting Tip of the Month:** Spending time

conversing with our children is a perfect way to pass on knowledge and values and a great way to learn about who they are as a person. The fall season offers parents a perfect time to head outdoors as a family for a hike, where you can take some time to chat about the beauty of God's creation, the value of nature and our need to be stewards of God's world. Taking time to connect with our children allows us to influence them and simply enjoy each other's company! (From: Teresa Hartnett, Family Ministry Office, 905-528-7988 ext. 2250)

**Marriage Tip of the Month:** Angry words, spoken in

the heat of the moment, can be emotionally scarring. When anger surfaces, the old adage "count to ten before you speak" is a good one to remember; it provides a buffer to calm the emotions. Anger is a normal emotion, but how and when it is expressed can result in a positive or negative relationship moment. Take a few seconds and ask yourself how you might best express your anger without leaving lasting marks on your love relationship. (From: Teresa Hartnett, Family Ministry Office, 905-528-7988 ext. 2250).
