We are in need of people who would be able to help count our weekend collection. Any parishioner of Regina Mundi parish who could devote a few hours per month on a Sunday to **be a collection counter** is asked to call the parish office for more information

**Next Weekend...Sunday, November 6<sup>th</sup> 2 a.m. clocks are turned back 1 hour.** Therefore, Saturday before you go to sleep change your clocks and you will be on time...not an hour early... for Mass Sunday morning!

The Green Team wishes to remind anyone changing batteries in smoke detectors and other devices to please drop them off at the bins in the narthex so we can safely dispose of them. This is a simple but important practice in environmental stewardship that unites us as a faith community in our commitment to care for Creation.

### **Do You Know What Your Child Wishes You Knew About Pornography?**

In our media saturated world it is important for parents to understand that children as young as eight have accidentally seen pornography. Pornography addiction is a major problem amongst young people, but so is the danger of casual or accidental viewing. **Come and learn about** how easy it is to access inappropriate internet content; the harmful effects of pornography on the brain and relationships; the importance of discussing the issue with your children.
