For Weekend of September 11/12, 2021: Offertory: \$5,441 Building Fund: \$45 St. Vincent de Paul: \$539

We thank you for your generosity

PLEASE NOTE: The **current year 2021** contribution envelopes are in the Narthex for those who (most likely, because of COVID interruptions) did not pick them up earlier in the year. Please, if you wish to have 2022 envelopes issued to you, pick up your 2021 box of envelopes so the office is aware that you are still with us and wish to use envelopes.

Thank you!

Contribution Envelopes will soon to be processed **BUT** please consider using our **PRE-AUTHORIZED GIVING PLAN** (Electronic Fund Transfer) for your church contributions. **EFT** helps (especially during these uncertain pandemic times) by:

- eliminating any chance of COVID19 transmission on paper/money for our counters
- saving the expense of purchasing boxes of contribution envelopes (approx. \$2,500/yr)
- enabling your support to the parish to be continued, allowing the parish's reoccurring maintenance expenses to be paid, even if you are not present on the weekend or if mass is cancelled (as in the past).

Also, no more forgetting your envelopes at home!

Forms are available at the back of the church or on the website: www.reginamundi.ca for those wishing to begin using Electronic Fund Transfer as a means of supporting the parish. Please contact the office if you require assistance.

The CWL will be selling **\$25 Gift cards** from **Satellite Garden Centre** on the weekend of September 25th and 26th. These gift cards will be available after all the Masses in the Narthex. A portion of the sale of these gift cards will go to help the CWL continue their support for their charities and awards. These gift cards do not expire and can be used at any time. Your purchases will support both our local business and the continued works of the CWL. Thank you

The Search: *Sometimes we get so caught up in the depth of our faith that we forget what it was like to wrestle with the big questions – Who am I? What am I searching for? What's our shared story? Who is Jesus? Why do we need a Church? Is there a God? We need to get back to the basics to make sure the foundation is strong.* We are excited to be piloting a new evangelization program called The Search. This 7-part series is intended to light the first fire in those who don't yet know the faith or reignite the fire in those who need a primer on the foundational questions. This will run on **Wednesday nights at 7:00pm via Zoom, starting September 29th.**

We will be running **"Encounter"** again on the first Friday of every month. The next one coming up will be on **Friday October 1 from 7:00 – 8:30pm.** This event will start off with parishioner testimonies, followed by Holy Hour and Praise & Worship. This will be a beautiful evening of prayer, adoration, and community

"Ecological destruction and the loss of biodiversity obscure our ability to see and experience God and are an affront to the Creator. The fate of the natural world and human life are fully intertwined. Ecological destruction harms human life, and human social injustice inevitably has ecological consequences." **Bishops of Alberta, Canada – The Green Team**

In *The Ecological Crisis: A Common Responsibility*, Pope John Paul II says "Respect for life and for the dignity of the human person also extends to the rest of creation, which is called to join man in praising God." – **The Green Team**

ISSUE	FACT	WHAT YOU CAN DO
Bleached Coffee Filters – contain Dioxins which are chemicals formed during the chlorine bleaching process.	Dioxins contaminate groundwater and air, and have been linked to cancer in both humans and animals.	Switch to unbleached eco-friendly filters, which are both healthier and safe for the environment. ISSUE	FACT	WHAT YOU CAN DO
Plastic Utensils - rate high on the waste scale. Most disposable plastic utensils are used once and thrown away.	They are not biodegradable, and will live on forever in the environment.	Consider washing and reusing, buying corn based biodegradable utensils or better still save money and the earth by using your regular cutlery.
