### Thank-you!

The 2014 Mexico Mission team would like to extend our sincere gratitude to everyone who has so generously supported our Mission team this year, as well as in the past 4 years. The support that we received financially, prayerfully as well as those who took the time and effort to drive us to the airport and back was so welcome. With your help, the effort we have made to develop the small community of Vicente Guerrero has been enormous. The humble people we have been serving were overjoyed and overwhelmed with the middle school and all the blessings we were able to provide. **We will be showing a brief video in the St. John's Room after all masses this weekend if you are interested in joining us.**

We thank you again,  
**The 2014 Mexico Mission team**

### Daily Mass – A gift that summer can give us...

No doubt, the cold icy conditions in winter and the extra time needed to get to work make it difficult and downright inconvenient to get to daily Mass. On the other hand, the warm days of summer and the early rising of the sun may very well mean that we are up a little earlier, are less rushed to get off to work and are even more anxious to get out of the house.

Have you considered starting your day with early morning Mass? A family friend of mine, once retired, decided to help kill time by going to daily Mass. He now goes to Mass nearly every day, but with a somewhat altered attitude. His love and appreciation for the sacrifice of Jesus, the Eucharist and God's works has deepened his faith so much that even when he travels he looks eagerly for a Catholic Church so that he can attend daily as well as Sunday Mass. He can't, as it were, live without God's daily bread.

To all who are able – consider coming out to Mass at least once over and above the Sunday obligation. Remember, it's not about feelings, it's about eternity. – Fr. Don
