## CORPUS CHRISTI

Today the Catholic Church celebrates the *Solemnity of the Body and Blood of Christ* (Corpus Christi). This feast day emphasizes our believe in the real presence of the Lord Jesus in the Eucharist we celebrate each week. It is good from time to time to take a look at how we celebrate and how we might improve. The following thoughts are offered for our reflection and action ...

1. **PUNCTUALITY** - It is important to make an effort to arrive in time for the beginning of Mass and to stay until the end. Arriving late and leaving early is a sign of disrespect to the worshipping community. The advantage of arriving early is a choice of parking and seating! The advantage of staying until the end of Mass is the blessing of the Lord which helps carry us through the week.

2. **PREPARATION** - Being prepared for the celebration involves looking at the readings for Mass before the liturgy begins. This is where our *Sunday Missal* is most helpful. It is best to use the Sunday Missal before Mass and not during. During Mass our attention is needed for the proclamation of the Word of God and the prayers. Preparation can also mean getting ready in plenty of time

to arrive at church in time for the beginning of Mass ... this can be quite a challenge especially with small children ... but we do our best.

3. **PRAYER** - Sunday Mass is *prayer!* It is the source of blessing for the Christian life and the summit to which all the activity of the Church is directed. It is very significant and your presence at the Sunday Liturgy makes it even more significant. Sometimes distractions can interrupt our prayer - we are called to deal with them in a charitable way. Parents of small children are gently reminded to not bring "noisy" toys into church. Anything that makes a musical sound or is loud - small cars etc; can be distracting to those sitting around you. Children are an important part of our worshipping community, however, sometimes restless children need a few moments to compose themselves. Parents are welcome to bring their children into the Narthex if they become restless during Mass - once they have calmed they can take their place in the assembly.

Along with the three "p's" there are also some practical suggestions for receiving Holy Communion. Catholics believe that Christ is truly present in the Holy Eucharist and so we should receive Holy Communion with reverence, love and devotion.

To receive the Sacred Host in the hand one opens their left hand and cups it with their right hand. The minister places the Sacred Host in their left hand saying, *The Body of Christ*, to which we respond aloud, *Amen*. By saying "Amen" we are professing our faith that we are receiving and becoming the Body of Christ.

To receive the Sacred Host on the tongue one should open the mouth after saying, *Amen*, and allow the minister to place the Sacred Host on the tongue.

Catholics are encouraged to receive Holy Communion under both the species of the Body of Christ and the Blood of Christ as a fuller sign of the Lord's care in feeding us. To receive the *Precious Blood* from the chalice, take it after saying *Amen* to the minister's invitation, *The Blood of Christ*. Drink from the chalice and return it to the minister.

Our gathering around the Table of God's Word and the Table of the Eucharist is a grace-filled and privileged moment for us all. Here we encounter the Risen Lord who seeks to give us new life and invites us to be his disciples in the world. May the Lord always feed and strengthen us with His gifts!
