## Parish Work Update and Parking

It is that time of year again! School starts this week and with that returns our greatly reduced parking. This year will be particularly challenging as the necessary work on our Parish improvements are starting. The first project of the boiler replacement has begun! Delivery and installation of the new heating system should be taking place mid-September. This means that one or two of the usual parking spots along the North side of the Church will be needed daily for the mechanical crews. As always, please continue to be thoughtful and DO NOT park in those spaces that belong to the school. Thank you so much for your continued consideration.

*Some of our Parishioners have allergies and are sensitive to perfume.  
We invite people to refrain from using perfume and cologne.*
