Care For Creation - Pope Francis' Easter Message:

In his Easter *Urbi et Orbi* message, Pope Francis reminds us of the many who are suffering in the world, including those affected by climate change. As he states, "*On this glorious day, 'let the earth rejoice in shining splendour', even though it is so often mistreated and greedily exploited, resulting in an alteration of natural equilibria. I think especially of those affected by climate change, which not infrequently causes drought or violent flooding, which then lead to food crises in different parts of the world.*"

THE MARK OF QUALITY.
