Environmental Stewardship - Catholic Schools as Eco-Schools:

Catholic Graduate Expectations in Ontario include respect for the environment and the wise use of the earth's resources. Good news - 81 Catholic Schools located within the Archdiocese of Ottawa have achieved EcoSchool status in 2014 – a highly significant accomplishment. Children and youth with support from teachers, staff and parents demonstrated achievement in energy conservation, waste minimization, ecological literacy and school ground greening. We thank all involved for their moral leadership in showing care for God's creation and hope for the future.
