**Archbishop Damphousse's  
(Condensed) Message:  
January 14, 2022**

Dear Brothers and Sisters in Christ,  
May God bless you at the start of the 2022 New Year!

I am not alone in my disappointment that the start of this year finds us continuing to deal with the effects of Covid. It has been a long and often difficult journey, but parishes have developed creative solutions and generous volunteers have kept our churches safe and open to all.

Beginning Monday, January 17<sup>th</sup>, I am instructing parishes to require all who attend Mass to wear a mask. To clarify, wearing a face shield is not sufficient protection. Out of concern for the health of all who wish to attend Mass in person, masks will be required at all parish Masses and liturgies. A medical exemption does not reduce the risk to fellow parishioners. Children two years of age and under are not required to wear a mask. I leave it to the judgment of parents whether they feel comfortable bringing them to Church without one. I remind parishioners that at this time Holy Communion is to continue to be given in the hand.

Many parishes have taped or live streamed Masses available. Please be reminded to recognize the difficulty in attending Mass in person, that dispensation from Sunday obligation is still in effect and has not been lifted.

At this time, I am directing parishes to postpone 'extra Masses or liturgies for special celebrations,' such as First Communion or First Reconciliation until the end of February when we will have a better idea of the current situation and risks to parishioners. May Mary Help of Christians intercede for us and may God grant you peace at the beginning of the New Year.

Sincerely in Christ,  
✠Marcel Damphousse
