A Special Message from Fr. Daryold

On Saturday, October 26, from 9:00 a.m. to 3:00 p.m., there will be a special day of retreat for our parish community. My hope and the hope of the parish council is that this

day will be spiritually nourishing for us all and that we will leave with a deeper sense of who we are as a local Christian community.

At the same time, I hope that this important day in the life of our parish will help us to prepare for the year-long celebration of the 50th anniversary of our existence as a parish which will begin this Easter, 2014. I believe that this kind of spiritual preparation is so important for us that we have enlisted the expertise of a professional facilitator for the day.

Carol Kuzmochka, a recent doctoral graduate, has had much experience facilitating retreats, workshops and formation programs for the Archdiocese of Ottawa and for St. Paul University. We are very fortunate that she is available to be with us on this important day.

I want to encourage all of us to consider attending this retreat even though I recognize that having a day away for reflection and prayer will take a special commitment. Nevertheless, I am hopeful that the fruits of the day will profoundly strengthen us a Christian community.

Please register for the retreat by calling Chris at the parish office so we can have a sense of how many parishioners will be attending.

May God continue to bless us all!
