### **PEACE BE WITH YOU!**

No, it is not an illusion! Today, more than ever, we hear echoing the Easter proclamation so dear to the Christian East: “Christ is risen! He is truly risen!” Today, more than ever, we need him, at the end of a Lent that has seemed endless. We emerged from two years of pandemic, which took a heavy toll. It was time to come out of the tunnel together, hand in hand, pooling our strengths and resources... Instead, we are showing that we do not yet have within us the spirit of Jesus but the spirit of Cain, who saw Abel not as a brother, but as a rival, and thought about how to eliminate him. We need the crucified and risen Lord so that we can believe in the victory of love, and hope for reconciliation. Today, more than ever, we need him to stand in our midst and repeat to us: “Peace be with you!” Only he can do it. Today, he alone has the right to speak to us of peace. Jesus alone, for he bears wounds... our wounds. His wounds are indeed ours, for two reasons. They are ours because we inflicted them upon him by our sins, by our hardness of heart, by our fratricidal hatred. They are also ours because he bore them for our sake; he did not cancel them from his glorified body; he chose to keep them forever. They are the indelible seal of his love for us, a perennial act of intercession, so that the heavenly Father, in seeing them, will have mercy upon us and upon the whole world. The wounds on the body of the risen Jesus are the sign of the battle he fought and won for us, won with the weapons of love, so that we might have peace and remain in peace. As we contemplate those glorious wounds, our incredulous eyes open wide; our hardened hearts break open and we welcome the Easter message: “Peace be with you!”
