## REFLECTION ON THE GOSPEL OF MATTHEW 5:13-16

In the Gospel of this Sunday's Mass, Our Lord tells us about our responsibilities to the world. *Salt* gives flavor to food, makes it pleasant, and preserves it from going bad. It was a symbol of divine wisdom. In the Old Testament, it was prescribed that everything offered to God should be seasoned with salt (Lev. 2:13), signifying that the one who was offering willed that his sacrifice be pleasing to God. The creation of *light* was God's first operation in calling the universe into being. Here is a symbol of the Lord himself, of Heaven, and of Life. Christ left us his teaching and his living presence so that men could discover a meaning for their existence and find true happiness and the salvation they were created for. *A city set on a hill cannot be hidden. Nor do men light a lamp and put it under a bushel, but on a stand, so that it gives light to all in the house.* Our Lord goes on to say in the Gospel, *Let your light shine before men, that they may see your good works and give glory to your Father who is in Heaven.* For this, we need first of all to give the example of an upright life, with clean behavior and the very visible practice of the human and Christian virtues in our ordinary everyday living. The world must have light; good example has to lead the way. ( In Conversation with God by Fr. Francis Fernandez)
