### WHAT IS EASTER?

The word "Easter" comes from Old English, meaning simply the "East." The sun which rises in the East, bringing light, warmth, and hope, is a symbol for the Christian of the rising Christ, who is the true Light of the world. The Paschal Candle used during the Easter Vigil is a central symbol of this divine light, which is Christ. It is kept near the ambo throughout Easter Time and lit for all liturgical celebrations. The Easter Vigil is the "Mother of All Vigils" and Easter Sunday is the greatest of all Sundays. The season of Easter is the most important of all liturgical times, which Catholics celebrate as the Lord's resurrection from the dead, culminating in his Ascension to the Father and sending of the Holy Spirit upon the Church. The octave of Easter comprises the eight days which stretch from the first to the second Sunday. It is a way of prolonging the joy of the initial day. There are 50 days of Easter from the first Sunday to Pentecost. It is characterized, above all, by the joy of glorified life and the victory over death expressed most fully in the great resounding cry of the Christian: Alleluia! All faith flows from faith in the resurrection: "If Christ has not been raised, then empty is our preaching; empty, too, is your faith." (1 Cor 15:14) - USCCB, *What is Easter?*
