Alleluia, Christ Is Risen!

After 40 days of preparation, penance and sacrifice, we come to this solemn day and we sing out with elation “Alleluia, Christ Is Risen!”

What is particularly fascinating about the accounts of Jesus’ resurrection is the deep-seated conviction of the first witnesses. The first witnesses maintain that the same Jesus who had been brutally and unmistakably put to death and buried was, through the power of God, alive again. He was not vaguely “with God,” nor had his soul escaped from his body; nor had he risen in a purely symbolic or metaphorical sense. He, Jesus from Nazareth, the friend whom they knew, was alive again. What was expected for all the righteous dead at the end of time had happened, in time, to this one particular man, to this Jesus. It was the very novelty of the event that gave such energy and verve to the first Christian proclamation

Easter also represents God's great yes to humanity. Throughout history, humanity has turned its back on God, but the Lord has constantly sent rescue operations to bring us back into community with him. The resurrection of Christ is the definitive rescue operation and is our great hope for salvation.

On this solemn day I convey my sincerest wishes to you and your loved ones for a blessed and joyful Easter!
