Dear Parishioners:

Below is more information regarding the Capital Campaign from the Diocese:

The Diocese of Hamilton is conducting the One Heart, One Soul Campaign to raise money for every Parish in the Diocese and for shared ministries. Answers to a set of Frequently Asked Questions appear in Parish bulletins regularly. A compilation of all questions that have been published are available throughout the campaign at oneheartonesoul.ca.

Who will actually conduct the campaign at each Parish?

The Diocese, with the help of the Steier Group, will manage the overall campaign effort, including the preparation of materials. At each Parish, the Pastor will identify campaign leaders who will work with the Steier Group. Those Parish leaders will help recruit other volunteers to form a campaign team that will conduct the personal visits and other elements that are the key to the success of the campaign.

How much help with the campaign can our Parish expect to get from the Diocese and the consulting firm?

The Diocese will pay the financial costs of the campaign. Parishes will not be responsible for any campaign expenses such as postage, printing or diocesan events held at the parish. If a Parish hosts an event to promote the campaign to its parishioners, the Parish will bear those costs. In addition, several Steier Group campaign managers will guide the Parishes through the campaign process. Each Parish will be assigned to one of four “waves.” The Parish will be responsible for forming a team of volunteers that implements the necessary elements of the process.

How long will this take?

On a diocesan level, the entire campaign will run through early 2021. On a Parish level, there will be four campaign “waves.” A Parish’s particular wave will run for six to seven months. That includes preparation, solicitation and follow-up phases. The active solicitation period will last three to four months.

What happens if our Parish doesn’t hit its financial goal?

A clergy committee will implement policies that all parishes will follow on such questions. There will be incentives for Parishes to reach their goals. Parishes not reaching their goals face the prospect of not being able to complete needed projects.
