THE FRANCIS IMPACT

The Francis Impact is the title of the most recent documentary on Pope Francis produced by *Salt and Light Television*. Sequel to its documentary *The Francis Effect*, it has been programmed for several showings each week on their website or on their television channel. It is a highly emotional and very informative presentation which Pope Francis himself concludes. It is well done.

VIRTUAL TOUR OF THE CATHEDRAL

You are invited to view a virtual tour of the Cathedral Basilica of Christ the King launched on the Diocesan website on May 9. It is the work of teachers and students from the Waterloo Catholic District School Board, created during a visit to the Cathedral earlier this year. The Virtual Tour uses the latest technology and provides verbal explanations by the students on the various points of interest in the Cathedral.

Month of Mary

Dear Parishioners:

During the month of May we are given plenty of opportunities to express our love and devotion to our Blessed Mother. Aside from the Rosary, we celebrate in May the feast of Our Lady of Fatima (May 13), and May Crownings with the school (May 22) and as a Parish at St. Anthony Daniel (May 19).

These devotions go beyond feelings of nostalgia and sentimentality. They express our deep admiration and love for our Blessed Mother Mary who teaches us how to be disciples of her Son and how to be obedient to God's holy will.

This Sunday I will have the privilege of celebrating and preaching at the Mass at St. Mary's Church (Brantford) in honour of our Blessed Mother. This particular devotion to our Blessed Mother has been around in the Brantford/Brant area for 60 years: La Madonna della Libera, roughly translated, Our Lady of Freedom. What a wonderful tradition that a group of Italians brought from the Abbruzzo region of Italy in order to stir the hearts of the faithful even today.

Come and join us for the Mass (1:30 p.m.) and/or the street Procession following the Mass.

God bless and "Viva La Madonna della Libera!"

Fr. Peter Ciallella
