**Canadian Bishops Announce \$30M National Financial Pledge to Support Healing and Reconciliation Initiatives: 27 September 2021 –**

Ottawa – The Bishops of Canada, as a tangible expression of their commitment to walk with the Indigenous Peoples of this land along the pathway of hope, are making a nation-wide collective financial commitment to support healing and reconciliation initiatives for residential school survivors, their families, and their communities.

With a target of \$30 million over up to five years, this will include initiatives in every region of the country. The commitment will be achieved at the local level, with parishes across Canada being encouraged to participate and amplify the effort.

Bishop Raymond Poisson, President of the Canadian Conference of Catholic Bishops (CCCB), expressed hope that these efforts will support meaningful projects across Canada and make a significant difference in addressing the historical and ongoing trauma caused by the residential school system.

“When the Bishops of Canada came together in Plenary last week, there was universal consensus that Catholic entities needed to do more in a tangible way to address the suffering experienced in Canada’s residential schools. Comprised of local diocesan initiatives, this effort will help support programs and initiatives dedicated to improving the lives of residential school survivors and their communities, ensuring resources needed to assist in the path of healing.”

Funding for projects will be determined locally, in consultation with First Nations, Métis and Inuit Peoples in each region. The Bishops of Canada have committed and tasked themselves to develop national principles and strategy, timelines, and the public communication of these collective initiatives this November.

**COVID Vaccines:**

The official position of the Catholic Church is that all available COVID vaccines are ethical and all Catholics who are able are encouraged to receive the vaccine. All employees serving in the Diocese of Hamilton are encouraged to be fully vaccinated or to submit to a COVID rapid test every Monday and Thursday in order to carry out their responsibilities. Volunteer liturgical ministers are required to be fully vaccinated. Bishop Douglas Crosby, OMI, encourages every member of the Catholic Church within our Diocese of Hamilton to be fully vaccinated.

***Saint of the Day – October 4<sup>th</sup>  
St. Francis of Assisi***

Born circa 1181, in Assisi, duchy of Spoleto, Italy, Saint Francis of Assisi, though revered today, began his life as a confirmed sinner. His father was a wealthy cloth merchant who owned farmland around Assisi, and his mother was a beautiful Frenchwoman. Francis was not in want during his youth; he was spoiled, indulging himself with fine food, wine, and wild celebrations. By age 14, he had left school and become known as a rebellious teenager who frequently drank, partied and broke the city curfew. He was also known for his charm and vanity.

In these privileged surroundings, Francis of Assisi learned the skills of archery, wrestling and horsemanship. He was expected to follow his father into the family textile business but was bored by the prospect of life in the cloth trade. Instead of planning a future as a merchant, he began daydreaming of a future as a knight. After fighting in a battle between Assisi and Perugia, Francis was captured and imprisoned for ransom. He spent nearly a year in prison — awaiting his father's payment — and, according to legend, began receiving visions from God. After his release from prison, Francis heard the voice of Christ, who told him to repair the Christian Church and live a life of poverty. Consequently, he abandoned his life of luxury and became a devotee of the faith, his reputation spreading all over the Christian world.

Later in life, Francis received a vision that left him with the stigmata of Christ — marks resembling the wounds Jesus Christ suffered when he was crucified — making Francis the first person to receive such holy wounds. He was canonized as a saint on July 16, 1228. During his life he also developed a deep love of nature and animals and is known as the patron saint of the environment and animals; his life and words have had a lasting resonance with millions of followers across the globe. Each October, many animals are blessed on his feast day.
