## Word from the Pastor

Jesus said: "The kingdom of God is like.... a mustard seed that, when it is sown in the ground is the smallest of all seeds on the earth. But once it is sown, it springs up and becomes the largest of plants...." We call to mind people who planted seeds in our lives that had surprising results. They might have been our teachers who got us excited about a subject or vocation, which lasted and grew throughout our lives. They are our own parables of the mustard seed, a small planting, a few words or gestures, that have produced much fruit. Who are the "mustard seed people" who have shaped our lives by their words and actions? Are they still available to thank and tell them how important they were for us?

The Travelling Chalice was presented to Chris & Rachel Quiban last week. It is in their home as a reminder to pray for vocations to the Priesthood and the Consecrated Life. Each week the Chalice will be presented to a family and then returned to the Parish on the following Saturday.

An update was provided to the Parish by the Finance Council on June 10. Projects completed: construction of a fireproof room upstairs in the church to protect important parish documents, the interior of the Church was painted, the windows and carpets were cleaned, the library was converted to an office, the roof of the tower was repaired, altar railing was installed and blinds on the south side windows were also installed. Recruitment of a Sacramental Coordinator and Youth Minister are underway which will strengthen the relationship between the Youth and our Parish. We are indeed moving forward with necessary changes which are made in the Parish to better serve the People of God. Thank you for your time, stewardship and your generous support.

*Monsignor Joseph Muldoon*
