Word from the Pastor

The meal in Luke's Gospel (chapter 14) today provides the context for Jesus to embrace the poor and the lowly as gifts of God.

Jesus' Way—A humble heart

Only those who are humble can fully receive and appreciate the gifts of God. Only those who can acknowledge that they are *needy*, possess the honesty and openness necessary to realize **that everything is a gift** and that all God's blessings are gifts freely given, not rewards for a job well done. Humility is the prerequisite for the giving and receiving of all gifts, says Walter Burghardt S.J. He reminds us that, without a humble spirit, something will be lacking in the giving and receiving. It helps, once in a while, to see ourselves from the perspective of "The final Kingdom." When that time is at hand, everything as we know it now will be so radically different. So, if we are primarily inclined to pursue our own self-interests, and amass material things, we are advised to make friends with the poor; and if we hope to experience *happiness*, we need to comfort the suffering and the sorrowing. Humility has been described as a kind of all-purpose virtue. To get to the top, we must aim low. But a caution here: our behaviour cannot be false. We cannot go too far wrong in our pursuit of humility if we keep as our singular mentors: St. Francis of Assisi, St. Thérèse of Lisieux, St. Mother Teresa.
