**Ordinary Time**

With the Feast of the Baptism of Our Lord we say good bye to the festive and exciting season of Christmas and once again welcome the season of Ordinary Time. But, the use of the word "ordinary" in the Ordinary Time can quite often be misleading as "ordinary" has connotation of being boring or nothing interesting or exciting happening. However, even though we call it he ordinary, it is never just ordinary. The green colour, which is the liturgical colour of the Ordinary Time, signals life and growth springing from the ground so does God bring to life and fruition our virtues, goodness and holiness. The Ordinary Time is a time in which we get to know who Jesus is, and grow closer to Him. And as we grow closer to Jesus, we will follow Him more closely and learn to be more like Him in our ordinary day to day lives, transforming our "ordinary time" to "extraordinary time" of grace and redemption!
