PADP (based on weekly average in February)	\$1,255.00

**A Saint's Corner.** Every year in February the world celebrates **Saint Valentine's Day**, the Patron of Lovers, Beekeepers and Epileptics. According to our Martyrologies there are three sources mentioning the name Valentine, three men remembered for *their heroic love for God and Church* dating back to the third century. The tradition of giving gifts to loved ones may have very well started in the 14<sup>th</sup> century [G. Chaucer's "Parliament of Fowls"] and by coincidence happened on the Saint's feast day the 14<sup>th</sup> of February. It could be said that this practice of sending cards and flowers maybe a secular tradition but it cannot be denied that it has in it the great Christian virtue of Love for our neighbors.
