PASTOR'S EASTER MESSAGE

This year, Easter falls on 1st April. This day is known as April Fools Day. Perhaps we might think what this means for celebration of Easter. Traditionally, some people play jokes on one another in an effort to fool or trick them. Perhaps the greatest tricks ever played was on death itself. Death affects us not only physically but spiritually. On Good Friday, Jesus destroyed the power of sin by his final prayer on the cross; "**Father, forgive them, for they know not what they do.**" Spiritual death has been replaced by forgiveness and redemption. On Easter, Jesus rose from the dead, physical death has been tricked. He who was dead is alive. Death has been destroyed and the possibility of eternal life is given to all who believe. So I encourage you to celebrate this Easter with the sense of joy that the greatest trick of all has been accomplished; sin has been forgiven, man has been redeemed, and eternal life has been given. May you and your family have a truly Blessed and Joyful Easter.
