FIRST WEEK OF ADVENT

ADVENT WREATH BLESSING

O Lord, by whose word all things are sanctified, pour forth thy blessing upon this wreath of light made from our hands. May its ever increasing brightness be a sign to us of the approaching nearness of your Son, that we might prepare in joy for his humble birth in a manger and be ready to receive him at his coming again in glory, through the same Jesus Christ our Lord, who lives and reigns with you and the Holy Spirit, one God, now and forever. Amen.

FIRST WEEK PRAYER

O Lord, stir up Thy might, we beg Thee, and come, that by Thy protection we may deserve to be rescued from the threatening dangers of our sins and saved by Thy deliverance. Through Christ our Lord, Amen.

DEVELOPMENT & PEACE - FALL CAMPAIGN

From Madagascar to Peru to the Philippines, communities and church leaders are sending us an urgent call to action. They are asking that we tell you their stories. They want you to know that the profits earned from mining are not leading to long-term development for their communities. In fact, in many instances, people are experiencing serious social problems and injustices such as displacement of their homes, erosion of their agricultural land, deforestation, pollution of their water sources, violence, conflict and corruption of local officials.

Peru - The village of Cruz Pampa, near Huancayo, Peru, is located on a 27 km tract of land that has been given over as a concession to mining companies to extract phosphates. The open-pit mine that could eventually spread out over Cruz Pampa will affect several communities. Many oppose the mine in fear of losing of their land and water sources, and mindful of the conflicts that could arise within the communities. "We wish that mining companies would consult us directly, and that the benefits go not only to the mining companies and the government, but also to the communities, which need it the most."

With the Peruvian government giving open access to their land without their consent, Arturo Castro, leader of Cruz Pampa, no longer knows where to turn so that the rights of his community are heard and respected. Their calls for justice, however, are not being heard here in Canada. The action we are taking together this year is to renew the call for an effective extractive sector ombudsman in Canada that would have the power to investigate complaints, make its findings public, and make recommendations to remedy any violations.

Please sign THE ACTION CARD located at the back of the church. These will be sent to our Member of Parliament. You can read more by visiting the website at www.devp.ca.org/voiceforjustice or by picking up one of the documents or prayer cards next to the ACTION CARDS.
