CHRISTMAS MESSAGE

At Christmas time, we are reminded of the words of the Prophet Isaiah, that "The people who walked in darkness have seen a great light." All around our community we have noticed an abundance of Christmas decorations and lighted Christmas trees and it reminds me that we do not want to be in the dark, but that we want to be children of the light. I know that there are many situations in our families, in our country and in the world that try to draw us in to a dark place. I am convinced that we need to discover the light. The external signs of lighting trees are not sufficient. To me, what we truly need at this time is Christ, The Light of the World.

It is my hope and, indeed, my prayer, that during this Christmas season, the true light of Christmas may enter into our lives and that it fills us with that sense of peace and serenity. As we prepare to begin the new year, I would like to express my gratitude for the support that you have given to the parish community during this last year and my wish that our community of St. Francis may continue to be a beacon of light in the New Year to come.

FR. KEVIN
