VANDALISM

During the month of May, we have had a few instances of vandalism around the parish. The lights on the stairwell at the front entrance of the church were all broken and must be replaced. Some items were taken from the inside of the church. We would ask for your help that if you see anything out of order, please do not hesitate to inform us. In the next few weeks we hope to work on getting the lighting fixed and some signs will be placed on the property of the church that we hope will discourage loitering by those who may be causing problems. The 'No Trespassing' signs are meant to be a deterrent and are not meant for people who are using the church for meetings or worship.
