NEW HOME

As many of you are aware, the hut at the east side of the parish church was used for different meetings for a number of years. Unfortunately, because of the restrictions of COVID, we were not able to allow groups to use the facility. The groups that were using it have found a new home. The Finance Council of our parish thought this would be an opportune time to make some extensive renovations to the building and to refurbish it so that it could be used by the St. Vincent de Paul Society. The renovations of the hut were done during the month of June and have now been mostly completed. The renovations were quite extensive because little maintenance was done on the hut for the last number of years. New flooring had to be installed and the electrical system had to be renewed to meet the present code. Some work had to be done in the washrooms and some work on the exterior roof had to be completed. These renovations at this time were quite costly but the Finance Council would like you to know that they were done at the expense of the parish and this was possible because of your generosity. The St. Vincent de Paul Society have moved into the hut and now are open to serve the needs of our community. Thank you for your generous support and encouragement.

SAINTS JOACHIM AND ANNE'S STORY

In the Scriptures, Matthew and Luke furnish a legal family history of Jesus, tracing ancestry to show that Jesus is the culmination of great promises. Not only is his mother's family neglected, we also know nothing factual about them except that they existed. Even the names "Joachim" and "Anne" come from a legendary source written more than a century after Jesus died.

The heroism and holiness of these people however, is inferred from the whole family atmosphere around Mary in the Scriptures. Whether we rely on the legends about Mary's childhood or make guesses from the information in the Bible, we see in her a fulfillment of many generations of prayerful persons, herself steeped in the religious traditions of her people.

The strong character of Mary in making decisions, her continuous practice of prayer, her devotion to the laws of her faith, her steadiness at moments of crisis, and her devotion to her relatives—all indicate a close-knit, loving family that looked forward to the next generation even while retaining the best of the past.

Joachim and Anne—whether these are their real names or not—represent that entire quiet series of generations who faithfully perform their duties, practice their faith, and establish an atmosphere for the coming of the Messiah, but remain obscure.

He said to them, "When you pray, say: Father, hallowed be your name, your kingdom come . . . "
