MASS INTENTIONS

The offerings of a Mass for the intentions of the faithful departed are good and holy acts. From the beginning, the Church has honoured the memory of the dead and offered prayers for them. Currently, our parish has many openings in our calendar for mass intentions for your family members, both living and deceased. The cost of a Mass intention is \$15. Please contact the office if you would like to schedule a Mass offering for your loved ones.

"The Spirit which has raised Jesus lives in you". Such a statement can only motivate the dynamic Catholic to remain solid, trustful and honest. He makes his choices not according to fashion and habits of th day. Instead, looking forward to eternal life, he lets himself be guided by this Spirit which lives in him.

**ESSAY CONTEST WINNERS**

The CWL recently held a diocesan-wide essay competition, open to elementary school students, on the topic "What Does a Priest Do For Me and Others?" This week, the winner of the 2<sup>nd</sup> Prize.

**WHAT DOES A PRIEST DO FOR ME AND OTHERS?**

A priest is someone in our lives who accepts you for who you are; who is open to answer questions; who is truthful; who teaches us about the bible; who is reachable and there for you; who serves God while God works through them; who is dedicated and loyal; who is a grateful person who believes in God; who is the one to make a difference in the world; and most of all a priest is a human just like us. There are so many more things that priests do for me and for others.

Priests are God's shepherds. They make promises that God is their only love and accepted the challenge of spending their lives serving God. These people teach us about Jesus and lead us to worship. Priests don't just teach us, they take their own time to organize celebrations for us to become a Catholic. A priest is one of the most important people in my life, if it wasn't for the priests I wouldn't be a Catholic.

I have learned that our prayers don't have to be perfect to reach God. We don't have to use big fancy words. We all pray in our own way, but that doesn't matter because we pray with love and God listens to it.

I also learned if you believe in what you know, then that is what matters. I would like to thank all the priests for being in my life and for having an answer to any of my questions.
