FAITH ON THE WIRE

Imagine, if you will, a wire stretched between the bank building and the city-hall on the square in our town. A lone individual stands atop the bank building and announces his intent to walk across the wire to the other building. Of course, a crowd has gathered below because what he intends is bit strange (needless to say). The tightrope walker asks the crowd if they believe he can make it across. They nod in assent (who would be dumb enough to try without a reasonable chance?). Carefully, slowly he teeters his way across almost falling. Reaching the other side he holds up a wheelbarrow and asks the crowd if they think he could push it across before him. Some nod in assent. Some shrug their shoulders in response. The tightrope walker then singles out a man and yells down to him, "Sir, do you think I can make it?" The response is affirmative so the walker says, "Then prove your faith by riding in the wheelbarrow." Christ calls to us personally, saying He will guide us over life with its dangers. Would you ride in the wheelbarrow?

POPE'S PRAYER INTENTIONS FOR JUNE

Intention for evangelization - The beauty of marriage

Let us pray for young people who are preparing for marriage with the support of a Christian community: may they grow in love, with generosity, faithfulness and patience.

EAGLES IN A STORM

Did you know that an eagle knows when a storm is approaching long before it breaks? The eagle will fly to some high spot and wait for the winds to come. When the storm hits, it sets its wings so that the wind will pick it up and lift it above the storm. While the storm rages below, the eagle is soaring above it.

The eagle does not escape the storm. It simply uses the storm to lift it higher. It rises on the winds that bring the storm.

When the storms of life come upon us — and all of us will experience them — we can rise above them by setting our minds and our belief toward God.

The storms do not have to overcome us. We can allow God's power to lift us above them. God enables us to ride the winds of the storm that bring sickness, tragedy, failure and disappointment in our lives. We can soar above the storm.

The wise man wrote, "When times are good, be happy; but when times are bad, consider: God has made the one as well as the other. Therefore, a man cannot discover anything about his future" (Eccl. 7:14). Solomon fairly well summarized life. There are good and bad days that attend our lives. Make the best of both. When things go well, rejoice and praise God; when they go wrong, and adversity attacks the soul, rest on the assurance that God is there and he cares. His goodness is shown in the providential help he offers in time of need.

"Let us therefore draw near with boldness unto the throne of grace, that we may receive mercy, and may find grace to help (us) in time of need" (Heb. 4:16).

Remember, it is not the burdens of life that weigh us down, it is how we handle them. The Bible says, "Those who hope in the Lord will renew their strength. They will soar on wings like eagles." — Isaiah 40:31
