**DEVELOPMENT & PEACE**

The tree of solidarity that is Development & Peace  
- Caritas Canada

In 1967, the Bishops of Canada sowed a seed of solidarity, seeking to nurture a movement for social justice. This seed took root and blossomed into a strong tree. Its roots are the thousands of Canadians who support the organization by donating time and money. Its branches are partners who flourish and help build a world of justice. Their work bears fruit for millions of people in the Global South who are taking charge of their own destiny.

Consult the Mini-magazine to learn more about Development & Peace's work. [www.devp.org/lent/resources](http://www.devp.org/lent/resources)
