**DEVELOPMENT & PEACE - CARITAS CANADA:**

**Training next-generation farmers in Indonesia**

In rural Indonesia, young people are abandoning agriculture to work in cities. Over time, this could threaten food sovereignty. Our partner PAYOPAYO empowers village communities to work together to find solutions to common challenges related to agriculture, food, energy, natural resource management and the engagement of youths, especially women. Next Sunday, 17<sup>th</sup> March, is Solidarity Sunday. Please use your Development & Peace envelopes and give generously.
