RETIREMENT

Deacon Gordon Bryan has informed me this week that he will be retiring as a deacon at St. Francis de Sales Parish. He will continue to be involved in different activities and will be a Eucharistic Minister at the masses he attends, but he feels at the present time, that he would like to step down from the other responsibilities.

I would personally like to thank Gordy and his wife for the many years of service that they have given to this parish community. When Fr. George left the parish, Gordon made a difficult decision to stay active in order to help the replacement to adjust to the new parish circumstances. This was a tremendous gift to myself and I thank him for it.

On behalf of all of the clergy of our Diocese I thank him for his service not only at St. Francis, but at other parishes and at the Diocesan Centre, and I wish him God's Blessings upon his retirement.

FR. KEVIN

Women are building an inclusive society in Indonesia

This week, Development & Peace - Caritas Canada is taking you to Indonesia to meet

Risya, - a 22 year old Indonesian woman who has been blind since adolescence. Thanks to a workshop in journalism offered by our partner the Association of Independent Journalists (AJI), this courageous young woman started to use her blog to write about the discrimination faced by women with disabilities and to encourage these women to believe in their potential. AJI has offered media workshops to 170 women and now they can make their voices heard!

Remember! In 2004, a tsunami hit the coastlines around the Indian Ocean, resulting in 300,000 victims. In collaboration with its partners, Development & Peace provided emergency relief, completed the construction of 3,500 permanent homes and related infrastructure, and helped establish 26 community organizations.
