DEVELOPMENT & PEACE

COMMUNITY DEVELOPMENT PROGRAMS

Our programs in the Global South are driven by the need to create greater social justice in the world by addressing the root causes of poverty and injustice.

We believe that for development to be sustainable, local people must be the major stakeholders in the development projects that affect them. For this reason, we favour an approach whereby we partner with local grassroots organizations and social movements that have shown energy, creativity and a proven ability to address the needs of their community. We provide them with financial and technical support so that they can carry out their important work.

The following countries fall under this program: Afghanistan, Bolivia, Brazil, Burundi, Cambodia, Columbia, Democratic Republic of Congo, Ecuador, Haiti, Honduras, Indonesia, Lebanon, Madagascar, Nigeria, Paraguay, Peru, Philippines, Sierra Leone and Zambia. To learn more about what Development & Peace does in these countries, please visit the website: www.devp.org
