DEVELOPMENT & PEACE

Women are creating a future filled with hope in Syria

This week, open your heart to the reality of women living in a country at war. Listen to the voice of Hannan, a Syrian woman who tells us how our partner's training centres are helping to change the female workforce and the financial autonomy of women in her region. "Through the training course, I personally evolved a lot as a person. Today, I dream of teaching sewing and running a learning centre." Thanks to your support during Share Lent this year, 280 Syrians will have access to an 11 week training course in sewing and psychosocial services!

Next week is Solidarity Sunday and the Share Lent collection will take place. Please be generous.

THE EUTHANASIA DECEPTION

In what should send chills down your spine, researchers from the University of Calgary recently wrote in the Canadian Medical Association Journal, "Medical assistance in dying could reduce annual health care spending across Canada by between \$34.7 million and \$138.8 million." On **Tuesday, 28th March at 7:00 p.m.** and on **Tuesday 4th April at 2:00 p.m.** at the Agora Catholic Centre, the Diocese and Pro-Life Cornwall will present the excellent documentary "The Euthanasia Deception". Following the one hour documentary, there will be a short presentation about what you need to know to protect you and your family (including information of Powers of Attorney and Living Wills) as well as what you can do to influence the law going forward. Please Mark your calendar!
