DEVELOPMENT & PEACE

Defending the rights of the poor communities fractured by forced evictions in Nigeria

In Nigeria, forced evictions are carried out violently, without consulting those concerned, as well as without warning, compensation or providing alternative housing. Thanks to your support, the Social and Economic Rights Action Centre, a Development & Peace partner, can train community leaders who then work with some of the most marginalized communities so they can engage in effective dialogue with the government. This year, we invite you to join Development & Peace's monthly giving program Share Year-Round. You will find brochures about the program as you leave the church. You can also register online at www.dev.org/shareyearround
