UKRAINE HUMANITARIAN CRISIS

We can see there is a humanitarian crisis unfolding in Ukraine and across Europe as people flee to safety in neighbouring countries. How can we contribute materially to help alleviate the suffering this invasion is causing? Perhaps this Lent, with our prayers and fasting, we can consider supporting these organizations as part of our traditional practice of almsgiving or charity. Here are three reputable agencies, two Catholic ones with established connections to Ukraine and one well-known secular agency that will use donations to assist those most in need.

Catholic Near East Welfare Association (CNEWA)

We partner with organizations in the Global South that promote alternatives to unjust social, political and economic structures and support women in their quest for equality and justice.

With the help of our 11,000+ volunteer members, we inform Canadians about the root causes of impoverishment and mobilize them to act for change. Our Lenten campaign, People and Planet First, offers you the opportunity to help protect vulnerable communities and ecosystems from corporate abuse.
