DEVELOPMENT & PEACE

**RESPONDING TO THE CRY OF THE RURAL POOR WITH THE BISHOPS OF BRAZIL**

*In all places and circumstances, Christians, with the help of their pastors, are called to hear the cry of the poor. This has been eloquently stated by the bishops of Brazil: "We wish to take up daily the joys and hopes, the difficulties and sorrows of the Brazilian people, especially of those living in the barrios and the countryside - landless, homeless, lacking food and health care - to the detriment of their rights. Seeing their poverty, hearing their cries and knowing their sufferings, we are scandalized because we know that there is enough food for everyone and that hunger is the result of a poor distribution of goods and income." - Pope Francis, The Joy of the Gospel, 191.*

Development & Peace has been working with the Brazilian bishops for many years to respond to the cry of the poor. Your generosity helps fund our partnership with their Pastoral Land Commission, which work to support the rural poor through agricultural development and land reform. You can learn more about our work by picking up Share Lent materials at the back of the Church or by visiting devp.org. The Share Lent collection for Development & Peace is on the Fifth Sunday of Lent, 22<sup>nd</sup> March.
