DEVELOPMENT & PEACE

International Women's Day

Yesica: a voice that reverberates from the Amazon Synod.

Yesica Patiachi Tayori of the Peru's Harakbut Indigenous Community was invited to the Synod of Bishops for the Pan-Amazon Region in October 2019. She said, "*We, the Indigenous peoples, have been, are and will always be, the guardians of the forest. But caring for our common home is everyone's responsibility, not just that of Indigenous peoples.*" Development & Peace's partner, the Amazonian Centre for Anthropology and Practical Application (CAAAP), helps the Indigenous peoples of the Amazon ensure that their rights and territories are respected.

On this International Women's Day, let us salute the courage of women like Yesica, who bravely lead the defence of the land, water and people. Watch Yesica's testimony at www.dev.org/campaign/yesica
