POPE'S PRAYER INTENTIONS FOR MAY

The World of Finance

Let us pray that those in charge of finance will work with governments to regulate the financial sphere and protect citizens from its dangers.

FAITH AND WORKS

An illustration of the balance between faith and works lies hidden within any tree, vine, or plant. Leaves use up the nutrients in the process of photosynthesis. As the leaves consume nutrients in the sap, a suction is formed, which draws more sap from the roots. Without the sap, the leaves and branches would die, but the continual flow of this sap comes only as it is used up by the work of the leaves. Likewise, we work, keep the Lord's commandments, in order to abide in His love. (John 15:4-10).

A Christian worked each day transporting tourists across a lake. On occasions he would present the Gospel and its implications for life in an unusual way. He had painted the word "Faith" on one of the oars of his rowboat and "Works" on the other. When they got rather far from shore, he would stop, and beginning to row with only the one oar marked "Faith," he would cause the boat to go in circles to the left. Reversing the process, he would pull on the other oar marked "Works," and they would circle in the opposite direction. By this time the bewildered passengers were waiting for an explanation. This afforded him an opportunity to give the truth concerning discipleship. He always concluded by saying, "You see, neither faith nor works can stand alone. They are twins that cannot be separated!" (James 2:14-26)

CATHOLIC EDUCATION WEEK

Catholic Education Week 2021 begins on Sunday, May 2, 2021. The Catholic schools in our parish will engage in a series of events to celebrate the ongoing gift of publicly-funded Catholic education. You are invited to learn about the various celebrations that are happening in your children's school, and are welcome to attend, if possible. Publicly funded Catholic education has existed in Ontario since 1841 and its graduates have served Ontario and Canada very well. The current generation of students in our publicly funded Catholic schools will serve with the same spirit and generosity as their previous generations.

This year's Catholic Education Week theme is, "*Nurturing Hope.*"

The theme for Catholic Education Week 2021 was inspired by the following considerations:

- ▶ Recognition of the special Year of Laudato Si' which will run through May 24, 2021, announced by Pope Francis on May 24, 2020, the fifth anniversary of his papal encyclical, "On Caring for Our Common Home."
- ▶ In the face of the ongoing reality of the COVID-19 pandemic, a strong desire by the planning committee, along with those consulted, and supported by feedback from the survey, for continuity with the theme for Catholic Education Week 2020, *Igniting Hope*, which has served so well during the spring recess from in-school instruction.
- ▶ The challenges to personal and spiritual well-being posed by the uncertainty and physical isolation of the current global crisis makes the timing and the concerns of Mental Health Week, which takes place during the same week as Catholic Education Week, all the more relevant.

Ongoing recognition of the Truth & Reconciliation Commission and the relevance of Indigenous culture and spirituality to the spirit of Laudato Si.

The CEW biblical quote is, "*Those who hope in the LORD will renew their strength.*" (Isaiah 40:31)
