**Week 2: FR. KEVIN BY ELLA DICKSON**

Have you ever wondered what your priest does outside of church? I'm going to explain to you a few things that Fr. Kevin does during the day while he is not at the church.

Fr. Kevin's full name is Kevin Maloney. Fr. Kevin was born June 22<sup>nd</sup> 1946. He is currently 71 years old. He was born in St. Andrew's but was raised in Cornwall, Ontario. He had 4 siblings: Betty, Elaine, Jim and John. Sadly, both of his brothers have passed away, but his sisters are both still alive. He is the youngest of all his siblings. His parents, John and Gertrude, are very proud of their youngest son. When Fr. Kevin was 11 or 12, he was a Boy Scout. He had paper drives and with the paper collected, the Boy Scouts had fires. With the money they raised, they helped the less fortunate. He also liked to skate and camp.

Fr. Kevin went to four different schools and his elementary school was St. Columban's Boys School then he moved on to St. Lawrence High School and then off to St. Francis Xavier University. Finally, he finished his education at Ottawa University. In my opinion, Fr. Kevin is known for his outstanding personality and his great friendship with God. He has had so many amazing accomplishments but some that come to mind are that he has travelled the world, he helps the less fortunate, he has a teaching certificate and he has been a Priest for 46 years.

Did you know that Fr. Kevin's favourite television show is 'The Big Bang Theory' and his favourite movie is 'Gone With The Wind'. I know that Fr. Kevin likes the summer because he said, "I have winter because of the cold and it takes away the freedom to travel because of bad road conditions." Cheesecake and Thai food are some of Fr. Kevin's favourite foods and he dislikes broccoli. He currently has no pets. Fr. Kevin only started to seriously want to become a Priest when he was in grade 11. It took Fr. Kevin about 9 years to become a Priest. Most Priests go by their last names but Fr. Kevin goes by his first name because there are two other Priests that have the same last name so he goes by his first name. Fr. Kevin loves to travel, in fact he says he has travelled the world he also said that his favourite spot to travel is India because of the great people, food and its history. He also likes to go to sports and I can relate to that. His favourite sport to watch is football but when he plays sports he prefers to play sports that involve competing with himself, such as running.

I chose to write about Fr. Kevin because I find that he is a very interesting person and is a great role model for myself and many others. He has had so many great accomplishments throughout his life and I hope to be just like him one day. Thank you for taking the time to read my essay on Fr. Kevin and I hope you enjoyed it.
