This year we would like to give you the opportunity of sharing the Christmas spirit with children from our community. **Angels of Hope** is a project to provide Christmas gifts to children who are receiving counselling at the Children's Treatment Centre. If you would like to help out, kindly pick up a name tag after Mass which will include the age and sex of the child. For confidentiality reasons, we have used fictitious names for the children. Please **DO NOT WRAP** the gift, but place in an appropriate GIFT BAG. Please return the gift to the Church no later than **Sunday, 17th December 2017**. For more info you may call the Centre at 613-933-4400. On behalf of the children served at the Children's Treatment Centre, I thank you for your kindness and your spirit of sharing.

## CATHOLIC WOMEN'S LEAGUE

On behalf of the CWL of St. Francis de Sales, I would like to express our gratitude and heartfelt thanks, to all our parishioners and guests who came out and demonstrated their continuing support for our annual fund raising event. Once again you demonstrated the true meaning of parish involvement and without your support, we would not be able to carry on with our council charitable work in our parish and community.

To our members and friends in our parish who donated items for our treasure tables, bake sales and goods for our Tea - 'Thank You'. For our ladies who gave their time to help out in the decorating, set up of the hall, food donations, and food preparations for the Tea and the serving the day of the tea, without you, this successful event would not have been possible.

**SAVE THE DATE: CWL/K of C - CHRISTMAS POTLUCK** - to be held Saturday, 16th December 2017 after the 5:30 p.m. mass. All members and their respective spouses/guest are invited. RSVP by telephone 613-937-3156 or email [petersrdesrosiers@gmail.com](mailto:petersrdesrosiers@gmail.com)

We invite members and parishioners to donate to help us fulfill our goal by placing in box at back of church no later than Tuesday, 5 December 2017. Your generosity is always appreciated.
