ASK DR. PAUL: GENERAL QUESTIONS ON COVID-19

In order to keep the community well informed about the Covid-19 pandemic and the measures taken to contain it as best as possible, Dr. Paul Roumeliotis, Medical Officer of Health for Eastern Ontario Health Unit (EOHU) features regular short video columns on Facebook to answer any questions asked.

These columns in French and English are then made available on the EOHU website at www.eohu.ca and on [YouTube/www.youtube.com/user/EasternOntarioHealth](https://www.youtube.com/user/EasternOntarioHealth)

You can send your questions via their Facebook page www.facebook.com/EOHUhealth and Dr. Paul will attempt to answer as many questions as possible during the sessions. We encourage you to take the time to watch these videos to stay up-to-date.

BUILDING A PARISH OF, FOR, AND BY CATHOLIC SENIORS

The new papal encyclical, Fratelli Tutti, reminds Christians that we have a particular and personal responsibility to care for the elderly. Led by Patricia Marsden-Dole, a group of representatives from 15 parishes are exploring the spiritual and social needs of isolated and lonely parishioners. The latest demographics indicate that 16% of the local population is 65 years and over. With the continuing social restrictions of Covid19 and the challenges of the upcoming winter months, there is an increased urgency for our parishes to engage with home-bound parishioners. They seek to expand the community life of the parish beyond bricks and mortar with things such as phone trees and 'home chapels' wherein a few parishioners might gather in a safely distanced bubble to watch mass online. If you are interested or would like additional information, please contact Patricia at pmarsdendole@archottawa.ca
