NOTICES

"Faith, hope and charity." The dynamic Catholic is a person who cultivates the three theological virtues. He agrees to walk ahead without understanding everything because he trusts God who wants only his happiness. This assurance supports him in life because he already has what he hopes for. He believes firmly that the Kingdom is already here and so that it may come to fulfilment, he goes about doing good wherever he is.

PRIESTS' PENSION PLAN

The priests' personal contribution is \$1,000 per year. The parish's contribution on behalf of the priest is \$1,500 per year. In addition, the priests receive a taxable mass stipend and 25% is contributed to the pension plan. Last year, the pension fund investments grew by 9.8% and in 2012 they grew by 6.3%. These are good returns that help but do not remove the need for assistance from parishioners as we work to our goal of \$1,100 per month.

This year, we increased the pension to \$800 per month. An amendment of this nature requires an actuarial valuation for the government, which is an expensive exercise. As we need to provide this valuation every three years regardless, we will adjust the benefit when the valuation is required. The next such opportunity will be at the end of 2016. An element which the actuaries use in their calculations is the life expectancy as this indicates how long a pension is to be paid. Thankfully, most of our priests are living long lives, which is a great blessing, but also means the pensions are paid out for a longer period, therefore cost more. We therefore ask for your generosity and thank you for your consideration. Should you have any questions, please contact Deacon Pierre Aubé at 613-933-1138 ext. 25 or Fr. Daniel Van Delst at 613-932-9226.

2015 ENVELOPES - We are in the process of issuing Sunday envelopes for 2015. If you have changed address, telephone number or are moving, please contact the parish office with updates. If you are new to the parish and would like envelopes for 2015, call the office to register. This will keep our records up-to-date.
