HELP SUPPORT LOCAL INDIGENOUS PROJECTS AND INITIATIVES

All the money raised during *"A Christ-Centred, Co-Journey Towards Healing"* will stay in our local communities. Indigenous Groups and Organizations such as Kateri Native Ministry located in Ottawa and the North American Travelling College located in Akwesasne will be able to apply for grants for such things as culture and language revitalization, education and community building. Projects may include programs that offer training and leadership formation to Indigenous communities, curation of oral histories and a curriculum for school-aged children to teach language and share their Indigenous culture. Your generosity in prayer and through your sacrificial gift, will make this possible. Please prayerfully consider giving to this campaign.

DEVELOPMENT & PEACE

Together, let's act for the planet and its defenders!

Development & Peace's annual People and Planet First campaign is inspired by the words of Pope Francis, who says that "a true ecological approach always becomes a social approach; it must integrate questions of justice in debates on the environment, so as to hear both the cry of the earth and the cry of the poor" (Laudato Si', 49). These cries are too often silenced by powerful companies that plunder resources in countries of the Global South, without regard for people's fundamental human and environmental rights. Many such companies are Canadian. Act to end their impunity now! Sign the petition asking the federal government to enact laws that will compel Canadian companies to conduct due diligence across their overseas operations and that will give the victims of their abuses access to justice in Canadian courts.

NOTICES

"For everyone who exalts himself will be humbled, and the one who humbles himself will be exalted." (Luke 18:14)

A woman had lost her husband and children, all of them were killed in a country in armed conflict. She found herself alone. She cried all the time and her grief was painful. She felt down. She wasn't receiving any visitors. One day, a little girl knocked on her door, - *I lost my parents*, she said in tears. *I want you to become my mother*, she implored. The woman was filled with pity and felt shivers all over her body. Without saying anything, she took the little one in her arms and cried with her. Once again, she found the maternal warmth that had left her a while ago by giving love to this child who was lost. The little girl felt fulfilled. They lived together and every time she looked at her, the woman had tears in her eyes and love grew in her heart!

This Sunday's Gospel suggests to us the parable of the Pharisee and the Tax Collector who went up to the temple to pray. Jesus teaches us an unexpected lesson from God's perspective. While he went up to the temple as a public sinner, one of them returns to his house, secretly recognized by God as just. He who went righteously returns unaware that his righteousness has not been recognized by the Most High. Jesus invites his audience to understand divine behaviour. God declared one of them as righteous; but not the other who asked nothing. God is full of mercy for a sinner who converts himself.

The theme of this Missionary Month is: "You will be my witnesses" (Acts 1:8). One of the essential attitudes to every missionary action is humility. For the mission belongs to Christ. The Holy Spirit inspires in us both the will and work according to his good pleasure. The Holy Pope John Paul II said that if we want to stand in front of humans, we should always kneel in front of the Lord. The seeds of the missionary action take root in a humble and docile heart to God and bears fruit within the missionary apostolate. It is important to be aware of the urgency of bearing witness to our contemporaries. All baptized people are called to be witnesses of Christ and to support the Universal Church in her mission. May Mary, Mother of all missionary disciples, intercede for us.
