TWO ARE BETTER THAN ONE

Everyone knows that holding hands with your spouse is romantic. But did you know it could be therapeutic? Neuroscientists at the University of Virginia found that married women under extreme stress who reach out and hold their husbands' hands feel immediate relief. And not just any hand will do—their husband's touch provided significantly more comforting than that of a stranger.

"The effect of this simple gesture of support is that the brain and the body don't have to work as hard in response to a threat," says the study's lead author. "It's deeply soothing." So the next time you're feeling stressed over deadlines at work, finances, or kids, grab your husband's or wife's hand. You will both feel better!

Solomon also had this figured out when he wrote in Ecclesiastes, "two are better than one" (Ecclesiastes 4:9).

GUARDIAN ANGEL PRAYER (Feastday 2<sup>nd</sup> October)

My good Angel,  
Thou comest from heaven;  
God has sent thee to take care of me.  
Oh, shelter me under thy wings.  
Lighten my path, direct my steps.  
Do not leave me,  
stay quite near me  
and defend me against the spirit of evil.  
But above all come to my help  
in the last struggle of my life.  
Deliver my soul so that with thee it may praise,  
love and contemplate the goodness of God  
forever and ever. Amen
