Sunday Smile

It seemed that all our appliances had broken in the same week, and repairs were straining our budget. So when I picked up the kids from school and our Jeep started making rattling sounds, I decided that rather than burden my husband, I'd deal with it.

When we got home, the kids rushed right into the house with the news. "Daddy, the Jeep was breaking down, but Mom made the noise stop!"

Impressed, my husband asked, "How did you fix it?" "I turned up the volume on the radio," I confessed.
