Sunday is the **Fourteenth Sunday in Ordinary Time**. We continue in **Luke's Gospel** with Jesus sending out the seventy-two "like lambs among wolves." Typical of Jesus' teachings, the sending reveals both the grace of being sent and a lesson of what to be thankful for. We are called not to be proud in our status as Christians, but joyous in our knowledge that we have a place in God's Kingdom.

ST. RAPHAEL GREEN CORNER:
Pope Francis writes: "It may well disturb us to learn of the extinction of mammals or birds, since they are more visible. But the good functioning of ecosystems also requires fungi, algae, worms, insects, reptiles and an innumerable variety of microorganisms. Some less numerous species, although generally unseen, nonetheless play a critical role in maintaining equilibrium of a particular place." LS #34

Now that your garden is flourishing, are you wondering how you might control the unwanted insects/animals choosing to enjoy its beauty? Instead of reaching for chemically, **Harmful to the Earth** insecticides, pesticides and animal control products, here are a few natural suggestions. Try attracting helpful insects to your garden. For example, Ladybugs are natural predators of aphids, that plague plants and roses, mites, whitefly, and scale. Try planting flowering plants such as those from the daisy family, yarrow, or tansy. These flowering plants attract Ladybugs and are available at most garden centers. Did you know that you can create a nontoxic insect remover with household products? Mix one tablespoon canola oil and a few drops of dish soap into a quart of water, shake well, and pour into a spray bottle. Spray plants from above down, and from below up to get the underside of the leaves. The oil smothers the insects such as aphids, mites and meal bugs. For further ideas, remedies, and suggestions of natural/nontoxic ways to deter insects and animals see:

Think Green and be a Friend of Mother Earth! Avoid the use of insecticides and pesticides!

SSVP - SUPPORTING WHALE COVE: The shipping container has arrived! As in the past, SSVP has filled it with donations of food and other necessities for the Nunavut community of Whale Cove. About 25 families are supported through an after-school program run by Lena, a Catholic lay worker. The cereal and granola bars she provides are a main source of food for some of the children. Groceries are extremely expensive in the north: Frosted Flakes are \$17.99 a box; 30 rolls of toilet paper, \$59.99! 900 rolls provide 25 families 3 rolls per month for 1 year!! Can you help? We are asking St. Raphael's for donations of TOILET PAPER and CEREAL (dated 2023). Monetary donations will receive a tax receipt. Donations in kind can be dropped off in the white bins in the church foyer. The Society of Saint Vincent de Paul and the residents of Whale Cove thank you. God Bless!
