PARENTING TIP:

As summer approaches, life tends to become a little more relaxed. Longer days mean bedtimes become less specific, warmer days mean our food and drink consumption changes and, hopefully, we take advantage of these lovely days by spending more time with our children. This summer, be specific and plan what you would like to accomplish with your children: more reading together, more time hiking, more family game nights, more time spent preparing and cooking as a family, etc. Time spent together creates confident , healthy children; when we include daily prayer with our family, life is golden!

(Teresa Hartnett, Family Ministry Office 905-528-7988 ext 2250)
