Parenting Tip of the Month ~ Parents can become exasperated by the behavior of their children, yet may unknowingly be contributing to it by not practicing more control in some areas of their children's lives. You can help your child to be the best version of themselves by ensuring a balanced diet, by making sure they get enough rest (something severely lacking in many children), by ensuring they have lots of active movement each day and by praying as a family daily. Besides these proven benefits to children, there are other actions also proven to help: controlling screen time (all screens) to the recommended time for their age, spending quality time with parents every day, sharing meals as a family, ensuring they have downtime and are not too activity heavy and by knowing the right expectations to have for the age of your child. Many poor behaviors can be turned around when parents take on a strong leadership role in their families.

CATHOLIC EDUCATION WEEK : May 1st – May 6th

Theme: Rebuild Restore Renew Together

The Catholic Schools in our parish will engage in a series of events to celebrate the ongoing gift of publicly funded Catholic education. Publicly funded Catholic education has existed in Ontario since 1841 and its graduates have served Ontario and Canada very well. The current generation of students in our Catholic schools will serve with the same spirit and generosity as their previous generations.

The theme for Catholic Education Week 2022 was inspired by the following considerations:

-In the face of the continuing reality of the COVID-19 pandemic, a strong desire by the planning committee, and supported by feedback from the survey, the themes for Catholic Education Weeks 2020 and 2021, were *Igniting Hope and Nurturing Hope*, and all we know for certain is that there will be much to *Rebuild, Restore and Renew* together in 2022.

-The challenges to personal and spiritual well-being posed by the uncertainty and physical isolation of the current global crisis makes the timing and the concerns of Mental Health Week, which takes place during the same week as Catholic Education Week, all the more relevant.

-Ongoing recognition of the Truth & Reconciliation Commission and the relevance of Indigenous culture and spirituality will continue to move us forward.

-The Ministry of Education's focus on Inclusion and Equity resonates with all educators and administrators as we desire to serve all of God's children and Pop Francis' encyclical entitled, *Fratelli Tutti*, will guide us in this good work.

The Catholic Education Week biblical quote is, "Behold, I make all things new." (Revelation 21:5)

Wedding Anniversary Mass 2022 Registration
